

## Update

6/7/08

Hi Everybody,

In just a few days Silver Bay will be buzzing with ATV's and we will be on our way to breaking the Worlds Longest ATV Parade Record.

There are a couple of things that I would like to touch on:

The ATV Parade will go on RAIN or SHINE

For those that have pre-registered you will receive your T-Shirts when you check in and receive your parade packet at the staging field in front of the AmericanInn Motel on Hwy # 61 in Silver Bay MN.

Registration is Friday 3-9 pm and Saturday 7:30-10:30 am due to the amount of people that are going to be present please come early we need everyone at the staging field so we have time to get every ATV lined up to start on time

There are a few guide lines that we must meet for this event to be considered by Guinness Book of World Records

ATV's must be registered for the parade to participate in the parade

Once the parade starts all ATV's must stay in the same order as when the parade began

If you're ATV breaks down please push it to the side immediately so the parade can continue

There must be a 4-5 foot gap between the ATV's no more no less

Guinness has set guide lines for the length of the parade so please follow the ATV in front of you, DO NOT STOP to look at the rest of the ATV Parade we need to keep the parade moving

Per Guinness guidelines we must video this parade in three different locations this is why we must stay in order and no gaps, Guinness will securitize each video and count each ATV

Please have patience

I believe they are closing the ATV trails this week-end and early next week so they have the opportunity to repair them due to the rain they have received in the last couple of days

Silver Bay has invited us into their community please be respectful

Ride as everybody watching and Talk as everybody is listening
